PET 系列 Series 高速瓶坯专用注塑机
Preform Injection Molding Machine

更高效节能 + 更精密稳定 + 适用范围更广 + 机台及模具寿命更长

More efficient and energy saving
More precise and stable
Wider scope of application
Longer service life of machine and mold

全新封闭式钣金外观设计，新颖、时尚、清洁
New closed sheet metal appearance design, novel, fashionable and clean

中心压力锁模结构，稳定快速
Center-press toggle unit designed, fast and stable

全新改良注射机构，射速更快、更精密
New improved injection unit, higher injection speed, more precise

加强刚性机架，减震更明显、生产更稳定
Strengthen rigid frame, better damping performance, production more stable

搭载全新伺服系统，响应快、精度高
New servo motor system, high response and high precision
