OPS de Mexico-Who We Are?

Olson Packaging de Mexico

<http://www.olsonpackaging.com/>

- Specialize in JIT inventory management programs for packaging products / Carton boxes.
- We audit and assess your packaging needs, aid in packaging design, and develop a program to reduce your costs
- Our programs are tailor made for companies with Lean/Kanban manufacturing systems.
- A division of Olson Packaging Services, Inc.,
We have been providing these services to Automotive Customers since 1977
- Local Sales Representation in Mexico with local warehousing.

OPS de Mexico—What we do

Olson Packaging de Mexico

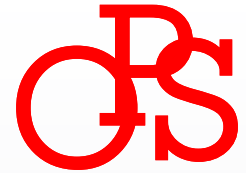

Service

- We stock YOUR products locally—dedicated for YOU
 - You will not run out of inventory so you can get your shipments out the door
 - We can set up a delivery schedule to meet your needs
 - We own the inventory on our books until we ship it to you
 - Decrease lead times from 2-4 weeks to 24 hours.
 - Free up your warehouse space for more productive use—let us store your packaging materials and ship to you as needed.

Experience

- OPS de Mexico has years of experience that we use on your behalf
 - We aid in design, we can develop any packaging requirement, help you use the right product for each application, and we also negotiate volume with our raw material suppliers in your benefit.

OPS de Mexico—What we do

Olson Packaging de Mexico

Pricing

- We produce large volumes between 1-3 months of monthly usage, so our volume allows us to participate with competitive prices of raw materials.
- Have your inventory in our warehouse and on our books improves your cash flow.
- We can offer up to 60 days credit.

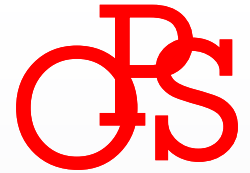

Quality

- Our experience and relationships with raw material vendors ensures that we only use quality raw materials above your expectations.
- Because we own the product until it ships to you, we have a vested interest in only using quality products for your application.

Products

- Corrugated boxes— custom sizes and custom printing
- Folding cartons
- All other packaging items
